

## HOW TO SUBMIT SCORES

I would like to have all meet scores. Not just “big” scores. There are people who are interested in all scores and some in particular scores.

### TEAM SCORES

Please send the scores for all teams in the meet. The easiest way is the home coach send the scores, however if you don't see your meet scores, send them in. Also send me your team score if it is a new season high.

### INDIVIDUAL GYMNAST'S SCORES TOP 100 IN EACH EVENT

Please don't send your official score sheet. It takes forever for me to go thru all the scores and compare them with previous scores to see if they are a new high for each kid. Please just send me a list of kids new season highs and the event. Please include the gymnast's full name. With all of the gymnasts in the state I don't always recognize first names. Always include the school as I don't always remember who is coaching where.

Please include the kids' year in school. If you see a score posted w/o a year in school, please send the year to me.

Eg:

West Leftover Junction

valut

jane doe 12 9.2

Sue jones 12 8.7

Bars

donna smith 11 6.4

And so on. These would only be kids who have improved the score posted.

Finally if you see an error, email me with the correction. Sometimes I get scores lower than the one posted and I don't know which is correct.
